DOCTRINAL SECTION

After pondering all this long and seriously before God We consider it part of Our pastoral duty to explain to the entire flock of Christ through this Encyclical Letter the doctrine of the Mystical Body of Christ and of the union in this Body of the faithful with the divine Redeemer; and then, from this consoling doctrine, to draw certain lessons that will make a deeper study of this mystery bear yet richer fruits of perfection and holiness. Our purpose is to throw an added ray of glory on the supreme beauty of the Church; to bring out into fuller light the exalted supernatural nobility of the faithful who in the Body of Christ are united with their Head; and finally, to exclude definitely the many current errors with regard to this matter. When one reflects on the origin of this doctrine, there come to mind at once the words of the Apostle: "Where sin abounded, grace did more abound." All know that the father of the whole human race was constituted by God in so exalted a state that he was to hand on to his posterity, together with earthly existence, the heavenly life of divine grace. But after the unhappy fall of Adam, the whole human race, infected by the hereditary stain, lost their participation in the divine nature, and we were all "children of wrath." But the all-merciful God "so loved the world as to give His only-begotten Son," and the Word of the Eternal Father with the same divine love assumed human nature from the race of Adam - but as an innocent and spotless nature - so that He, as the new Adam, might be the source whence the grace of the Holy Spirit should flow unto all the children of the first parent. Through the sin of the first man they had been excluded from adoption as children of God; through the Word incarnate, made brothers according to the flesh of the only-begotten Son of God, they receive also the power to become the sons of God. As He hung upon the Cross, Christ Jesus not only appeased the justice of the Eternal Father which had been violated, but He also won for us, His brethren, an ineffable flow of graces. It was possible for Him of Himself to impart these graces to mankind directly; but He willed to do so only through a visible Church made up of men, so that through her all might cooperate with Him in dispensing the graces of Redemption. As the Word of God willed to make use of our nature, when in excruciating agony He would redeem mankind, so in the same way throughout the centuries He makes use of the Church that the work begun might endure. If we would define and describe this true Church of Jesus Christ - which is the One, Holy, Catholic, Apostolic and Roman Church [12] - we shall find nothing more noble, more sublime, or more divine than the expression "the Mystical Body of Christ" - an expression which springs from and is, as it were, the fair flowering of the repeated teaching of the Sacred Scriptures and the Holy Fathers.

~Pope Pius XII

ST. MARY SCHOOL

Hello school families and valued community members! There are many things that are changing in the world around us right now, but the staff at SMCS are already eagerly preparing for our students to return this fall. In light of changing government mandates, and doing what we know is best for our school community, I would like to share the following information with you and ask for some help on some tasks:

- 1) If you have woodworking experience and would like to assist with building desk partitions that are necessary for the comfort and safety of our students and staff, please call the school office at 282-1974. Kim or I will pass your name along to a family that is trying to complete this project before our return to school.
- 2) SMCS and the Catholic School Office (CSO) will have a new online registration system this fall. Online registration will start on July 27, and will need to be completed within 10 calendar days. Be on the lookout for a letter from the school with directions on how to complete this process.
- 3) School supply lists may change. Teachers submitted lists prior to the local impact of COVID-19. Some classes may ask for different or additional supplies so that students do not have to share materials that they may have in the past. A school Flocknote will be sent out when lists are updated.
- 4) To assist with minimizing expenses related to sanitizing and community access, it will be important to be able to verify who has access to the school building at any given time. To assist with this I am kindly asking that anybody who is not currently a staff member, but has a key to the school building, to please drop off their key at the school office as soon as possible. Keys will then be checked out on an as needed basis. Thank you so much for your time and consideration on these matters! If you have any questions or concerns please let me know by calling me at (316)282-1974.

—Joshua Bargdill, Principal
