ST. MARY SCHOOL
The Teacher Giving Tree

This is a chance to help teachers secure classroom supplies without the teachers having to dip into their own wallets so much! The Giving Tree is going on virtually. Each teacher has their wish list which can be found on the school website, <https://stmarynewton.org/school>. It can be found under the header of ACADEMICS. If you want to give but do not have a way to do it online, then please stop by the school office. Or fill out a Teacher Giving Tree envelope in the back of church and put it in the collection. Thank you from all the teachers. If you have any questions please call Amy Antle at 316-215-1584.

Bishop Kemme to lead First Saturday Rosary

Join Bishop Kemme in praying the Holy Rosary at Trust Women abortion facility (5107 E. Kellogg Dr, Wichita) on October 3 at 9:00 AM. October is the month of the Rosary and Respect Life month. The Respect Life and Social Justice Office sponsors the First Saturday Rosary every month at Trust Women abortion facility. It is a wonderful opportunity to gather as a diocesan family to join our hearts with Mary, praying with her, for an end to abortion, for healing of those who have been impacted by abortion, and for the establishment of a culture of life in our society. If you have questions contact the Respect Life Social Justice Office at 316 269-3935.

DOCTRINAL SECTION

The Participation of Catholics in Political Life

When political activity comes up against moral principles that do not admit of exception, compromise or derogation, the Catholic commitment becomes more evident and laden with responsibility. In the face of fundamental and inalienable ethical demands, Christians must recognize that what is at stake is the essence of the moral law, which concerns the integral good of the human person. This is the case with laws concerning abortion and euthanasia (not to be confused with the decision to forgo extraordinary treatments, which is morally legitimate). Such laws must defend the basic right to life from conception to natural death. In the same way, it is necessary to recall the duty to respect and protect the rights of the human embryo. Analogously, the family needs to be safeguarded and promoted, based on monogamous marriage between a man and a woman, and protected in its unity and stability in the face of modern laws on divorce: in no way can other forms of cohabitation be placed on the same level as marriage, nor can they receive legal recognition as such. The same is true for the freedom of parents regarding the education of their children; it is an inalienable right recognized also by the Universal Declaration on Human Rights. In the same way, one must consider society's protection of minors and freedom from modern forms of slavery (drug abuse and prostitution, for example). In addition, there is the right to religious freedom and the development of an economy that is at the service of the human person and of the common good, with respect for social justice, the principles of human solidarity and subsidiarity, according to which the rights of all individuals, families, and organizations and their practical implementation must be acknowledged. Finally, the question of peace must be mentioned. Certain pacifistic and ideological visions tend at times to secularize the value of peace, while, in other cases, there is the problem of summary ethical judgments which forget the complexity of the issues involved. Peace is always «the work of justice and the effect of charity». It demands the absolute and radical rejection of violence and terrorism and requires a constant and vigilant commitment on the part of all political leaders..
